

Specification sheet

Turo IP65

The LED Turo downlight is a modern, elegant and discreet lighting option that will compliment the style of the room. Featuring a high-efficiency LED module, it delivers bright illumination while maintaining low energy consumption—making it a cost-effective upgrade from traditional fittings. The IP65 rating ensures full protection against water jets and dust ingress, allowing seamless installation in bathrooms, kitchens, covered outdoor areas, and high-humidity spaces.

Options

- Dimmable
- Other colour temperatures available
